LED SCREEN / OUTDOOR

G.E.G. is always in the forefront of utilizing new technology and improving the Erbil cityscape. Offering a new level of dynamic advertising, G.E.G. has introduced four large (9m x 7m) LED Screen Billboards in key locations in Erbil including Abushahab Intersection, Menira Intersection near Shanider Park, 100 Meter Road opposite the Erbil International Airport Gate and near the Residency Building. Companies can now showcase their products and services with higher visibility and impact.
